

SCHOOL JOB ADVERT DISPLAY ADVERTISING AND CLASSIFIEDS INFORMATION

Australian Teacher Magazine provides job advertising services for schools at affordable rates. The publication is perfectly designed to advertise job vacancies to teachers in metropolitan and regional areas.

Attract the best candidates to your school with the publication reaching both government and non-government schools nation wide.

The Careers section is included at the back of each edition.

Display advertising starts at \$55.

Classifieds are 50 cents per word.

All display advertising is in full colour.

Australian Teacher Magazine is published twice each school term, eight times per year — at the start of, and in the middle of each, term.

To check booking, and artwork deadlines log on to www.spress.com.au/tempo and click on 'publications'.
